No. C-12-3353 MMC

v. Plaintiff,

15 FACEBOOK, INC., et al.,

**ORDER DENYING DEFENDANTS'
MOTION FOR STAY OF PROCEEDINGS;
DENYING PLAINTIFFS' MOTION TO
REMAND**

16 Defendants.
17 /
18

19 Before the Court are plaintiffs' motion to remand, filed July 19, 2012, and
20 defendants' motion for a stay of proceedings, filed July 6, 2012 and amended July 19,
21 2012.

22 By order filed July 24, 2012, the Court approved the parties' stipulation that the
23 Court's disposition of remand and stay motions filed in seven specified related actions
24 would be "dispositive and dictate the outcome of the remand and stay motions" filed in the
above-titled action. (See Order, filed July 24, 2012.) By separate order filed this date in
each of the seven specified actions, the Court has denied the remand and stay motions
filed therein. See, e.g., Lazar v. Facebook, Inc., C 12-3195 MMC.

Accordingly, defendant's motion for a stay of proceedings is hereby DENIED, and
plaintiffs' motion to remand is hereby DENIED.

IT IS SO ORDERED.

Dated: August 23, 2012
